THIS IS UNEVALUATED INFORMATION

According to the 1954 production plan the DRZ Pharmazie und Krankenhausbedarf (German Trade Central for Pharmaceutical Products and Hospital Equipment) was ordered to produce equipment to the total value of 316,529 million DMO. A total of 76 percent of this production are pharmaceutical products, the remainder is accounted for by hospital equipment.

Comment. It is believed that the present report only covers the output of enterprises controlled by the HW Pharmazie und Krankenhausbedarf. Data on the output of pharmaceutical products at chemical enterprises which are assigned to the Ministry of Heavy Industry have not been included. In 1953, pharmaceutical articles produced in the GDR had a total value of 580.9 million DMO.
